Appendix III.

[Vide answer to the unstarred question No. 18 asked by the Sri S. M. Annamalai at the meatting of the Legislative Assembly held on 1st February 1961, page 252 supra.]

A.— (*a*) There is no separate bus exclusively plying between Polur and Arni. Eleven buses plying on long routes cover the sector Polur to Arni.

A statement containing the required particulars is placed on the Table of the House.

(*b*) The answer is in the affirmative.

(*c*) The two proposals, namely.—Vellore to Vettavalam (via) Santhavasal, Polur and Tiruvannamalai as Vellore to Vettavalam (via) Santhavasal, Kalambur, Polur and Tiruvannamalai in respect of one bus and (2) Vellore to Thandarampet (via) Santhavasal, Polur and Tiruvannamalai as Vellore to Thandarampet (via) Santhavasal, Kalambur, Polur and Tiruvannamalai in respect of one bus, were rejected for the following reasons:—

(1) The proposals do not satisfy the principles laid down in G.O. No. 1298, Home, dated 28 April 1956;

(2) the existing facilities on the sector between Santhavasal and Ettivadi Road junction will be curtailed;

(3) the sector Santhavasal to Ettivadi Road junction via Kalambur and Madimangalam is fairly well served; and

(4) the route from Kalambur to Tiruvannamalai is entirely paralled to the Railway affording through Railway facilities.
